

CenturyLink to Highlight Powerful Technology Offerings at SAPPHIRE NOW® and ASUG Annual Conference May 7 - 9

CenturyLink will show how to drive digital transformation by leveraging AI within SAP workloads

MONROE, La., May 2, 2019 /[PRNewswire](#)/ -- [CenturyLink, Inc.](#) (NYSE: CTL) will participate at SAPPHIRE NOW® and ASUG Annual Conference, the largest SAP customer-run conference that takes place on May 7 – 9 in Orlando. CenturyLink will exhibit in Booth 2236 and, in a speaking session, detail how SAP clients can leverage AI (artificial intelligence) to help drive their digital transformation initiatives.

CenturyLink, a leading network technology provider, has deep, global expertise delivering a dynamic suite of [SAP solutions and services](#), including support for SAP S/4HANA® implementations and SAP solutions deployed on public and private clouds such as AWS, Azure and Google Cloud Platform. These capabilities are allowing companies to succeed with their SAP implementations across several industry verticals, including manufacturing, retail, automotive and healthcare.

During the show, a CenturyLink expert will speak on how enterprises can leverage AI within their SAP environments. Conversational AI technology can help drive immediate returns for enterprises globally.

Who: Arun Narayanan, CenturyLink director, solutions architecture, SAP analytics

What: Speaking session titled, "Conversational AI – How does it fit in an SAP World?"

Where: Industries Pavilion at SAPPHIRE 2019, Orlando

When: 1:30 p.m. EDT May 9

CenturyLink has flexible packaged offerings that customers can leverage on-premise or in their

cloud environments to help with their SAP ERP Central Component to SAP S/4HANA conversions globally. Attendees can meet CenturyLink's leadership team at Booth 2236 to learn more about the company's end-to-end offerings – from networking and infrastructure to cloud operations and Application Management Services (AMS).

Key Facts

- CenturyLink has [global SAP expertise](#) that can optimize applications, infrastructure and big data.
- CenturyLink has been an [authorized global premium supplier](#) for SAP HANA Enterprise Cloud since January 2016.
