

CenturyLink Expands SIMPLE Offerings for Small Businesses

Small business customers can now purchase more business-critical services with ease

MONROE, La., Aug. 20, 2019 /[PRNewswire](#)/ -- According to ongoing survey data from industry analyst firm IDC, cost control is a top business priority for small businesses. In an effort to help small business owners more easily plan for monthly expenses, [CenturyLink](#) (NYSE: CTL) has expanded its CenturyLink SIMPLE for Business™ portfolio of prepaid services to include SIMPLE Internet + Digital Phone. This bundled service includes:

- Internet speeds up to 140 Mbps.
- Digital phone service with unlimited nationwide calling, instant messaging, video conferencing and file sharing.
- Convenient online ordering with a credit card.
- Pay as you go pricing with no term commitment required.
- A consistent monthly service rate to help manage monthly expenses.

"In listening to our customers, they wanted us to be easier to do business with. When we launched SIMPLE, our goal was to provide our small business customers with services that are easy to purchase and offer simplified pricing," said Lisa Miller, president, wholesale, indirect, and small and medium enterprise, CenturyLink. "With the CenturyLink SIMPLE service expansion, we can deliver business-critical internet and voice solutions to small business owners for the same price each month to help with budgeting."
