

## **CenturyLink Offering Verizon Wireless Services to Residential and Small Business Customers**

**MONROE, La.** – CenturyLink, Inc. (NYSE: CTL) is now providing its residential and small business customers the convenience of one-stop shopping by offering the full lineup of Verizon Wireless products and services.

CenturyLink, a Verizon Wireless authorized agent, now offers its customers a variety of Verizon devices, including Android, Apple, BlackBerry, Windows Mobile and Palm smartphones; feature phones; USB modems and Internet devices such as tablets, netbooks and mobile hotspots. Customers can purchase their Verizon Wireless service with CenturyLink's High-Speed Internet, unlimited local and long distance and television services. In the future, customers will be able to bundle their Verizon and CenturyLink services and receive one monthly bill.

Verizon Wireless equipment and services can be purchased at local CenturyLink retail stores across the country. Residential customers can also order services online at [www.centurylink.com/Pages/Personal/SpecialOffers/voice1.jsp](http://www.centurylink.com/Pages/Personal/SpecialOffers/voice1.jsp) or by calling 1-800-201-4099. Small business customers can call 1-800-786-6272 to order equipment and services. CenturyLink specialists will work with individual customers to help them select the products and plans that best meet their wireless needs.

For more information on Verizon Wireless services available through CenturyLink, go to [www.centurylink.com](http://www.centurylink.com).

### **About CenturyLink**

CenturyLink is the third largest telecommunications company in the United States. The company provides broadband, voice and wireless services to consumers and businesses across the country. It also offers advanced entertainment services under the CenturyLink™ Prism™ TV and DIRECTV brands. In addition, the company provides data, voice and managed services to business, government and wholesale customers in local, national and select international markets through its high-quality advanced fiber optic network and multiple data centers.

CenturyLink is recognized as a leader in the network services market by key technology industry analyst firms. CenturyLink's customers range from Fortune 500 companies in some of the country's largest cities to families living in rural America. Headquartered in Monroe, La., CenturyLink is an S&P 500 company and is included among the Fortune 500 list of America's largest corporations. For more information, visit [www.centurylink.com](http://www.centurylink.com).
