

CenturyLink recognized as a leader in Gartner's 2016 Magic Quadrant for Cloud-Enabled Managed Hosting, Asia Pacific

June 28, 2016

CenturyLink was named a leader for the second consecutive year in the Magic Quadrant for Cloud-Enabled Managed Hosting, Asia Pacific, by analyst firm Gartner Inc. This recognition reinforces CenturyLink's reputation as a leading global hybrid IT provider. CenturyLink was also [named a leader](#) in last year's version of the same Gartner report, the 2015 Magic Quadrant for Cloud-Enabled Managed Hosting, Asia Pacific, which was published November 11, 2015. Additionally, CenturyLink was named a leader in a similar Gartner report, the [Magic Quadrant for Cloud-Enabled Managed Hosting, Europe](#), published June 28, 2016.
