

Lumen recognized as 2021 Frost & Sullivan Company of the Year LATAM for Collaboration Services Industry

August 20, 2021

Frost & Sullivan identifies three key strategic imperatives that impact the connected work industry: disruptive technologies, transformative Mega Trends, and new business models. Every company that is competing in the connected work space is obligated to address these imperatives proactively; failing to do so will almost certainly lead to stagnation or decline. Successful companies overcome the challenges posed by these imperatives and leverage them to drive innovation and growth. Frost & Sullivan's recognition of Lumen is a reflection of how well it is performing against the backdrop of these imperatives. Read the complete report:
