

Lumen Technologies named a World's Best Employer on its one-year anniversary

October 13, 2021

Feedback from over 150,000 employees in 58 countries working full or part time has formed the [World's Best Employers](#)

[2021](#) list. Lumen

Technologies is excited to announce that we have been added to the list for the first time! This prestigious award,

announced on October 12, 2021, is presented by Forbes and Statista Inc., and can currently be viewed on the [Forbes website](#).

Forbes and Statista selected the World's Best Employers 2021 through an independent survey that evaluated employers on working conditions, salary, the potential for growth, diversity, and social responsibility.

Based on the survey results, Lumen Technologies ranked number 682 of 750 employers who were awarded.

We know our amazing people are what sets us apart, and winning this award demonstrates the great work our incredible team is doing around the world. For those employees who recommended us, we thank you - we can't think of a better way to celebrate the first anniversary of our new brand!
